

Bicycling Along the Erie Canal

You can't bicycle 366 miles along the Erie Canalway Trail (twice!) from Buffalo to Albany without having a few stories to tell. In this PowerPoint presentation we will take you and your group on a "fun" journey across the state on this historic route. From history to flat tires, it's all a great adventure that we would love to share with you. So whether you are planning outings on the Erie Canalway Trail, or are just curious about it, we're here for you and can answer any questions you may have. The book, based on our experiences, ***Bicycling the Erie Canalway Trails: Tips and advice for your adventure(s)***, is available from the publisher.

To order a copy of this book, or any other of our titles, call the publisher, Common Man Books (Glens Falls Printing) @ 866-793-0555 for credit card orders. Or see me on the trails, if you have cash or check.
