

In Search of: Nature in Central Florida

Central Florida has many natural secrets that it is hiding. You just have to know where to search and how to find elusive creatures and unusual habitats.

In this 45 PowerPoint presentation, we will help you to explore places you may never have heard of, even though some are in your own backyard.

We'll go "In Search of:" Sherman's Fox Squirrel, the Florida Scrub Jay, a Coastal Strand area with its unique plant life, and a host of other great places to enjoy nature in Central Florida.
