

Newest and Safest Bike Trails in Central Florida

In this 45-minute PowerPoint presentation we will inform you about the new Spring-to-Spring, paved biking and hiking trails that may eventually connect all of the major Springs in Florida. We'll talk about the newest rail-to-trail, paved trails throughout Volusia County and beyond. We'll also address some of the older great bicycle trails in Central and Northeastern Florida. If you are a bicycle person, of any ability, this presentation is a "must" for you.

This presentation is based on our book, ***Biking in Central Florida – The Newest and Safest Trails 2021.***
