**Safe in the Woods–
Safety and security on your
next outing**

What should you do if you come face-to-face with a Black Bear on the trail or in your own back yard? In this 45-minute PowerPoint presentation, Master Naturalist and author Roger Fulton, will provide the answer to that question and much more, from critter encounters to reading trail markers and avoiding hazards. Much of this presentation is based on his book,

***Safe in the Woods –
Tip, Techniques and Advice
for Safety and Survival.***
