

Short Hikes in Central New York

This 45-minute PowerPoint presentation highlights some of the short hikes in the Syracuse, Cortland and Ithaca Regions of New York. It explores trails that lead to beautiful woods, across brooks and streams and down to fantastic waterfalls. The trails range from paved and easy to moderate + woody trails. In this presentation there is something for every level of hiker.

Much of the presentation is based on Roger's book, *Short Hikes in the Finger Lakes Region*.
